School of Management

GMAT/GRE Waiver Request Form

Overview

The University at Buffalo Professional MBA program will consider GMAT/GRE waiver requests for those meeting the criteria listed below. Waiver requests will not be evaluated until all application materials (except for a GMAT/GRE test score) have been submitted.

Please note that the waiver is not guaranteed and your request will undergo evaluation by the admissions committee whose decisions are final. An approved waiver does not guarantee admission to the program.

Eligibility

To qualify for the GMAT/GRE waiver, you must meet the following conditions for us to review your waiver.

1. Have a minimum of two years of full-time professional post-bachelor's work experience
2. Have earned one of the following degrees or designations with the required GPA
 - Quantitative bachelor of science degree in STEM (science, technology, engineering and math), finance, or accounting with a GPA ≥ 2.75 *
 - An AACSB accredited US degree in business with a GPA ≥ 3.5 *
 - Doctorate degree such as a JD, MD, or PhD
 - CPA or Six Sigma Black Belt certification

*Though not required, we encourage applicants with GPAs that are not in a US 0.0 - 4.0 scale to seek a WES evaluation.
