UB Blackstone LaunchPad: 220 Student Union, N. Campus | 645-8111

Students interested in the Panasci Technology Entrepreneurship Competition should attend one info session training sessions and venture coaching as needed. Throughout the fall, students form teams, develop their ideas and work on a pitch. In the spring, applicants will pitch in order to narrow teams. Only five teams will be invited to present at the live competition. If you need a text-only version of the schedule, proceed to page 2.
