PROFESSIONAL WORK EXPERIENCE

Touche Ross & Co., Rochester, New York

Audit Manager

- Supervised audit of multi-million dollar accounts including several public companies traded on NYSE and OTC.
- Performed and supervised consulting services on various manufacturing, financial institutions governmental and health care companies. Was regular instructor for the firm's local and national training programs.
- Staffed engagements, supervised and reviewed performance of engagement teams.
- Functioned as the Rochester Office professional services reviewer (the last quality control reviewer before reports left the office).

Colombia Banking, Rochester, New York

Management Trainee

- As Operations Analyst, performed various cost/benefit analysis on new services opportunities resulting from government deregulation such as incremental cost analysis on offering Now accounts, Saturday Banking and Consumer Unsecured Loans. Was responsible for daily cashflow analysis to determine overnight deposits to Fed funds. Compiled various compliance reports such as the redlining report.

OTHER:

- KPMG National Instructor for experienced professionals
- Becker CPA Review lead instructor for Buffalo and International instructor for Bermuda College

BOOKS REVIEWED

Intermediate Accounting, 15th edition by Stice, Stice and Skousen

Reviewed the first six chapters of Principles of Accounting, 4th Edition by Reynolds, Hillman and Kochanek. Review involved analysis of organization, scope and flow of the table of contents with recommendations for improvement. The second portion of the review involved a detailed chapter-by-chapter commentary. I was acknowledged as one of the main reviewers in the book.

Reviewed the third edition of Accounting Information Systems by Robinson, Davis and Alderman. Critical review of the entire book including chapter-by-chapter analysis.

Modern Auditing by Kell Boyton Ziegler.

(Managerial Accounting Section) of Hermanson Edwards and Salmonson.
Accounting Principles.

Introduction to Financial Statement Analysis, published by South-Western Publishing Co.

Auditing, 3rd Edition by Wanda Wallace, published by South-Western.

Intermediate Accounting, 4th edition, to be published by South-Western.

Intermediate Accounting, by Williams, Stage & Holder published by Dryden.

Intermediate Accounting, by Hartman, Harper et al., published by West Publishing.

Audit Concepts & Applications by Larry Konrath, published by West Publishing.

Management Accounting by Atkinson et. al, published by Prentice Hall
