

This Internship SAMPLE is for the purposes of January MBA Advantage Only.

Finance Intern
The Hershey Company
Hershey, PA

Summary:

The MBA Financial Planning and Analysis Intern will work with a wide range of employees in Hershey's international and US operations as well as within Hershey HQ to understand current results, develop future projections and expectations and the business drivers that proactively provide opportunities and/or risks to our commercial operations. Intern roles requires understanding of all business units and geographies and working with multiple departments. The financial planning department is the gatekeeper for financial information and is responsible for understanding/interpreting the information. This information includes, but is not limited to new product launch and capital investment analyses, cash flow and P&L analysis, brand and customer profitability, and pricing analysis.

Responsibilities:

- The MBA Financial Planning and Analysis Intern will be assigned to specific projects with the expectation that the project is completed by the end of the internship. Projects are relevant to the growth, expansion, development, control and management of business operations, both U.S. and International.
- Special projects may include streamlining of current processes, developing advanced analytical models for reporting or forecasting, providing training and support to U.S. and international operating entities, monthly P&L analysis, foreign currency implications, and identifying opportunities for expense savings to name a few. Roles are available in several financial functional areas, including Strategic Business Unit Finance, Financial Analysis supporting Marketing and Sales, Treasury, Internal Audit and M&A.

The Hershey Company is an Equal Opportunity Employer. The policy of the Hershey Company is to extend opportunities to qualified applicants and employees on an equal basis regardless of an individual's age, race, color, sex, religion, national origin, disability, protected veteran status, sexual orientation, genetic information or any other protected category recognized by state and federal laws.
